

## **Alumni and Supporters: Privacy Notice for Alumni and Supporters**

At the International Science and Technology University, we deeply value our alumni and supporters. This privacy notice is dedicated to outlining how we collect, use, protect, and respect the personal data of our university's alumni and supporters.

Data Collection: We collect personal information from our alumni and supporters, which may include names, contact details, professional information, and details of engagement with the university. This information is often gathered through event registrations, donations, and direct communications.

Purpose of Collection: The primary purpose of collecting this data is to maintain a lifelong connection with our alumni and supporters. This includes providing updates on university news, invitations to events, opportunities for professional networking, and information about giving and volunteer opportunities.

Data Use: The data we collect is used to personalize our communications and offerings to our alumni and supporters. It helps us ensure that you receive relevant information and opportunities that align with your interests and past engagement with the university.

Data Sharing: We respect the privacy of our alumni and supporters and do not share personal data with external third parties without consent, except as required by law. Data sharing is limited to what is necessary for alumni relations and supporter engagement.

Data Security: We are committed to protecting the personal data of our alumni and supporters. We employ appropriate security measures to prevent unauthorized access to, or disclosure of, the personal data we hold.

Alumni and Supporter Rights: Our alumni and supporters have the right to access their personal data, request corrections, and inquire about the use of their data. You are welcome to contact our Alumni Relations Office for any requests or queries regarding your data.

Changes to the Notice: This privacy notice may be updated periodically to reflect changes in our data handling practices. We will ensure that our alumni and supporters are informed of any significant changes through our communication channels.
